

Do you have a product or service that you would like to offer to fellow Chamber Members?

The Membership Committee is currently looking to develop the Member-to-Member Programs that are offered to Chamber Members and we are asking for your help.

If you would like to offer a discount on your product or service exclusive to Chamber members, please provide your information below. The Member-to-Member program provides a unique opportunity for the growth of your business and for your employees to receive discounted products and services from other members.
