

Attention: All Chamber Members

Business Partner in Education Award

The Williamsport/Lycoming Chamber of Commerce is accepting nominations for the eighth annual ***Business Partner in Education Award***. The award will be presented at our Education Celebration on March 5, 2009 at 5:30 p.m. to 8:30 p.m. ***The deadline for the application is Monday, February 2nd, 2009.***

The Chamber has long recognized the importance of the business community partnering with the education community. At our Education Celebration, we will be recognizing not only the educators and students from our area schools, but **we will also be recognizing one business that demonstrates how area businesses can partner with our future business leaders.**

This is a wonderful opportunity for businesses to highlight their local involvement in the education community. The partnering of businesses with the area school districts helps to ensure the professional development of today's students and tomorrow's business leaders and deserves to be recognized!
